

# Rheumatic Blood is Whole Story

Wonderful Specific for Sciatica, Lumbago, and a Cure for Dreaded Arterial Rheumatism.

There is a host of pills, powders, tablets and what-not for rheumatism, but they all lack the first essential to being a natural medicine. To begin with, rheumatism is simply a name given to designate a variety of pains, and can only be reached by irrigating the entire blood supply with a naturally assimilative antidote. True, the pains may be eased with narcotics or the acids may be neutralized for the time being with other acids. But these merely temporize and do not even lead to a cure. There is but one standard rheumatic remedy, and it reflects the best thought of the day. It is prepared in the great Swift Laboratory in Atlanta, Ga., and sold in all drug stores under the name of S. S. S. at \$1.00 a bottle.

Starvation has been advocated by many as a cure for rheumatism, and yet S. S. S. accomplishes in fact what fastidists proclaim in theory and without the punishment of starvation. Hot springs and sweating are often recommended, but S. S. S. does all that is expected of these expensive and weakening methods.

It is conceded by the closest students of the subject that rheumatism is caused in most cases by an acid condition of the blood and aggravated by the remedies commonly used for relief. In other cases rheumatism is the result of nerve depression; in still others it is the effect of some scrofulous blood condition, having been treated with mercury, iodides, arsenic and other poisonous mineral drugs. The recovery of all these types of rheumatism by the use of S. S. S. is a wonderful tribute to the natural efficacy of this remarkable medicine, for it is assimilated just as naturally, just as specifically, and just as well ordered as the most acceptable and most readily digested food. Do not fail to get a bottle of S. S. S. to-day. You will be astonished at the results. If your rheumatism is of such a nature that you would like to consult a great specialist confidentially, write to The Swift Specific Co., 127 Swift Bldg., Atlanta, Ga.

## CHANCE WORRIED OVER FLINGERS

Hamilton, Bermuda, March 29.—The ideal weather experienced by the Yanks was broken to-day for the first time by rain. Manager Chance is still worried over the failure of his pitching staff to hit their season's stride. He hopes, however, that the change of fair weather on the home grounds will remedy this slight deficit. Chance's opinion is another source of worry. He is ready to go in at any time, but it is conceded that his ankle is still very sore from the strain it sustained a month ago. McConnell will very likely be worked in the opening game of the season.

### Highland Park Wins at Basketball.

Yesterday morning a hotly contested and interesting game of basketball was played on the court of the Highland Park School between the girls of the Highland Park and Barton Heights High Schools.

The superior team work of the Highland Park girls gained for them a well-earned victory, the score standing 11 to 6 in their favor at the end of the game.

The excellent guarding of the Highland Park guards, the passing of the ball by the entire team and the goal shooting of Mrs. Phillips, who caged the ball five times from the field, were the features of the game.

A crowd of about 200 were present.

### Barton Heights Wins.

Barton Heights won from Woodall & Qarles yesterday on Byrd Park diamond by the score of 10 to 2. Shelton, who twirled for the winners, held his opponents at his mercy until the seventh, when he retired in favor of Vincent, a new recruit, who pitched good ball until the ninth, when two hits, coupled with an error of a fly ball, gave the losers their two runs.

Flip Bowers was the star for the losers, pulling down several hard drives, which looked to be safe ones.

Two long drives by Gruener and three safeties by Wharten were the batting features of the game.

Score by innings: R. H. E.  
Barton Hts. .... 2 0 1 0 0 2 0 5 — 10 11 3  
W. & Q. .... 0 0 0 0 0 0 0 2 — 2 4 4

### Kingsan Starts Well.

The team representing Kingsan & Co. of the Richmond League, was out for practice yesterday, and showed up well, considering it was the first practice winning the game from the Oakwood Stars by a score of 8 to 3. The batteries were: Kingsan—Haskins and Blank; Stars—Gregory, Kidd and Strang.

### Kahn's Defeat Howitzers.

The Kahn's, of Richmond, defeated the Howitzers yesterday afternoon in a very slow game at the C. & O. Park, by the score of 20 to 6. The game was marked by sensational plays, and the heavy hitting of the whole Kahn's team. Clay and Lowe led the team, each securing three hits out of four trips to the plate. Browning, the new recruit, showed up well, while the two pitchers, Creekmore and Robinson, worked like big leaguers. McCurdy, of the Howitzers, hit the ball hard, securing three hits, two of them being for extra bases.

Score by innings: R. H. E.  
Kahn's ..... 14 3 2 1 4 5 0 x — 20 15 2  
Howitzers ..... 0 4 0 0 0 1 0 1 0 — 6 8 5

### Southside Stars Win.

The Harvard Jones' Stars, who on last Tuesday night were refused admission to the Old Dominion League, defeated the Imperials of the Richmond League, by the score 16 to 8, yesterday. The feature of the game was the hard hitting of the whole Star team.

Score by innings: R. H. E.  
S. Stars ..... 0 11 1 0 0 4 0 — 16 13 4  
Imperials ..... 0 0 2 4 0 2 0 — 8 8 8  
Batteries—Bass, Carr and Garnett; Whitten and Test.

### Howitzers' Prospects Good.

The Richmond Howitzers were defeated yesterday in a closely contested game on the C. & O. diamond by the Kahn's of Richmond.

Manager MacFarlane and Captain Lawrence were much pleased with the showing made by the team, and the showing made by the field that will be a credit to the organization, which they represent. McCurdy, the Howitzers' star pitcher, was unable to enter the box on account of a badly sprained finger. However, he did great work, striking out two batters and getting a hit, securing two two-baggers and a single. The Kahn's, at Waldbaur, had the Kahn's at the game, but was relieved in the fifth inning by Devereux. Several spectacular plays were pulled off by the Howitzers, among them being three doubles and two doubles. Rawson, McCurdy, Lawrence and E. L. MacFarlane did good work with the bat, while the fielding of Plumb, Dugan and McCarty received much applause from the side lines. The game was a snappy one all the way through, and the Kahn's deserve credit for the way they handled themselves. One fielder, Jenkins, G. L. Devereux, utility men.

### Creekmore, McFarlan. Time of game—2 hours. Umpires—Dutton and Dredgen.

The Cherry Smashes Practice.

The Cherry Smashes team had its final workout yesterday on their home grounds in Highland Park, and Manager Choppell says he is more than satisfied with their showing, considering the earliness of the season and weather conditions. With him this year are a number of new men in the ranks of the organized amateur baseball movement, and if they live up to his predictions this year's racing the Richmond League will be well worth watching.

His pitchers are working like veterans, all soreness and kinks gone, and getting their control down fine. His catchers are certainly pegging to the bases some. The infield is working like machinery, with the outfield more than doing its part. The line-up is as follows:

Catchers, T. J. Davis, J. M. Chappell; pitchers, J. M. Sales, Jr., E. E. Taylor, W. A. Umms; first base, J. H. Gibson; second base, W. T. Sales; short stop, Lee Lauterback; third base, Leslie R. Sines; left field, J. R. Parsons; centre field, Leo Tyson; right field, G. R. August; utility, Spot Krause.

### Pitch No-Hit Game.

The Battle Axe and Horace S. Wright teams, formerly Dumbarton, played a very pretty game at Byrd Park Saturday afternoon, Battle Axe winning by the superb pitching of Harvey and Whitfield, letting the Wright team down without a hit, and not walking a single man. Only four men got on bases and these through errors of the infield. The outfielders did not have a single chance. The Wright team only got two balls out of the diamond. That boy Powell pitched a good game too, and with a better team behind him the score would have been closed.

Score by innings: R. H. E.  
Battle Axe ..... 0 0 0 0 1 0 0 1 — 2 6 2  
Wright ..... 0 0 0 0 0 0 0 0 — 0 0 0  
Batteries: Harvey, Whitfield and Hay; Powell and Powell.

### Burke & Co. Lose.

The Brook Road team defeated the Burke & Co. team yesterday by the score of 15 to 5. Bullock started in the box for the Burke boys, but was driven from the mound in the fourth by the heavy hitting of the Brook Road team and showed poor form throughout the game. Ways was to be in good form.

Score by innings: R. H. E.  
Burk ..... 0 0 1 0 2 0 0 1 — 5 6 2  
Brook Road ..... 2 0 5 2 1 1 1 1 — 15 21 3  
Summary: Batteries—Burk & Co., Bullock, Iruis, Hale Ford, Sweeney, Austin, Verbut, Brook Road, Ways and Beazley. Three-base hit—Bullock, Home runs—Williams, Mitchell, Meyers. Base on balls—by Bullock, 5; by Ways, 2.

### Woodland Heights Wins.

Woodland Heights opened its season yesterday by defeating the Manhattans, of the Central League, by the score of 10 to 6. Numerous errors were made by both sides, due to the poor diamond, or outfield, on which they played. A very high wind was blowing and made good playing impossible.

Whitten pitched masterly ball for Woodland Heights, while Pulliam played wonderful game at short.

E. Jones stared with the stick for the Manhattans.

Score by innings: R. H. E.  
W. Heights ..... 0 1 2 2 1 3 0 1 — 10 8 4

Struck out—By Whitten, 8; by Saunders, 4; by Pulliam, 5. Double plays—Amos to Pulliam to Allen. Time—2 hours. Umpire—Mr. Adams.

### Wake Forest Takes Another.

Wake Forest played errorless ball, except in the seventh inning, when four hits and four errors gave the team a 10 to 7 victory over the Baptists, one notch nearer to the championship of the State.

### Pennay Loses to Holy Cross.

Philadelphia, March 29.—Holy Cross defeated the University of Pennsylvania to-day 3 to 0. McManes, who held the mound position for the Holy Cross team, held the locals to three hits.

## ACADEMY NINE GAINS VICTORY

In a practice game between the college second team and the academy yesterday, Richmond Academy put it all over Richmond College second team. The final score was 16 to 0, and could have been more, but Henry Grinn, coach, seemed tired of watching the pill fly around, and stopped the slaughter.

The college had put in four pitchers, none doing any checking of the heavy hitting by the raw little academy team. Wood twirled a clear head on the bases, and showed up nicely, but was relieved by Trainham, who held 'em pretty close, striking out a bunch and allowing only a few hits.

Mahone backstopped and did some pegging, rarely over his head game. Little Eddie Roden showed up well at second, and also hit the pill nicely, and showed a clear head on the bases. Captain Pitt held the shortstop post down all O. K., and showed up well at the stick.

Dug Roden held his own at third, and played brilliant ball. He also showed he was acquainted with wielding the bat.

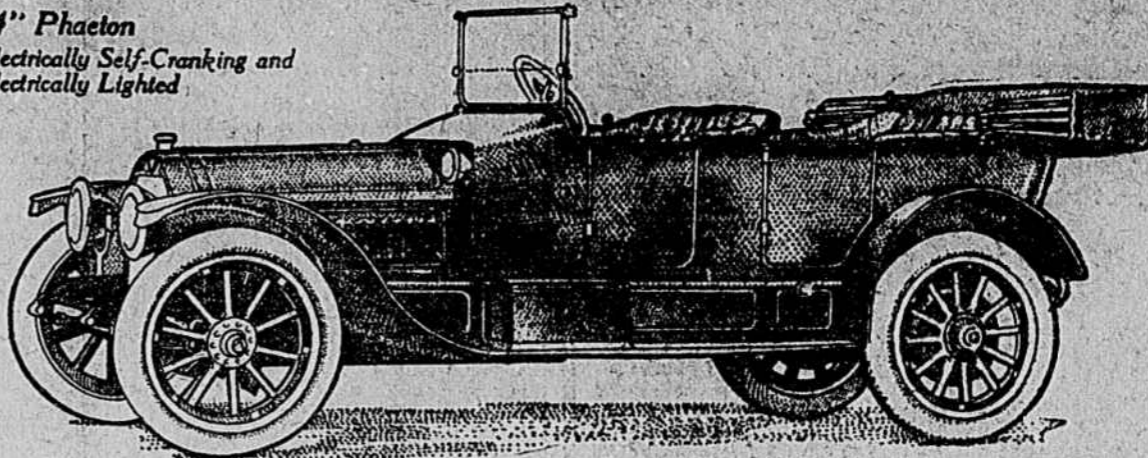

Miller, the lengthy first baseman, stuck to the sack pretty close, hit the pill rather hard through right field once, and came all the way around.

## When a Motorist Needs a Friend

It is after he has bought. It does not matter much what car you buy or how much you pay, sooner or later you will have need of the dealer. If he is strong, intelligent and interested he will give you service. If he has split his profits when he sold you your car, if he has no ideals and is not broad, in other words, is not successful nor a good business man, you will sooner or later regret your having bought of him. The best car it is possible to build, fails if the dealer's support is not back of it. Inquire among motorists about our standing. Before

you buy any car consider the dealer who sells it quite as much as you would the car itself. See that he is well established and that he has a reputation for giving service. Be sure he is prosperous. Service is not possible if he cuts prices or if he makes unreasonable allowances for second-hand cars and thus ties up all his capital in worthless assets. It is the part of good business to buy only of successful business men, whether it be motor cars or any other line of merchandise. The dealer must be a good business man or no matter what car he sells, you risk losing all the motor satisfaction you should have.

## Buy a Six if You Are Paying More Than \$2,000

Backed by our own service you will find it as near an approach to ideal motor satisfaction as is known. With so many viewpoints and so

much experience, errors that others had made were eliminated—advancements that others found impossible were easily accomplished. The "54" HUDSON has electric lights. It is electrically self-cranking. The famous Delco system, patented, is used. Every luxury is included, speedometer, clock, top, curtains, rain-vision windshield, demountable rims, 12-inch upholstery, etc. Equipped with a five-passenger Phaeton body at \$2450, f. o. b. ## WAR SECRETARY IS OPTIMISTIC

Garrison Telegraphs to Wilson Report of Conditions in Flood Zone.

[Special to The Times-Dispatch.]

Washington, March 29.—The Secretary of the Navy ordered to-day four paymasters to the scene of the flood sufferers to distribute provisions and clothing. The commandant of the Great Lakes Naval Training Station was also directed to give all possible assistance in furnishing men for handling motor boats for the purpose of rescue throughout the flooded district.

Secretary of War Garrison telegraphed President Wilson an optimistic report, which precludes the possibility of the President making a personal visit to the flood-stricken districts. Here is the text of the report:

"We have got in communication with Major Normoyle and Major Logan and find that they have the situation well in hand. The flood is receding in all small rivers, but the Ohio is getting the effect now and is rising at Cincinnati, where it is now about sixty-five feet, thus threatening the towns below here. Major Normoyle is at Columbus and Major Logan at Cincinnati, each with full orders to deal with the situation fully under all conditions and purchase all necessities.

"Officers have been sent to downriver points to make observation and report to Major Logan at Cincinnati. Captain Finch, with the engineers is at Hamilton, and a medical officer, with twenty of the hospital corps, are being sent in there to-day.

"Major Logan has two United States boats here to-night for emergencies North and South. Am going on to Dayton, leaving immediately after I see Mayor Hunt. We will then get into communication with Governor Cox and the situation at Columbus, and I will wire you fully from Dayton.

"You need have no anxiety about shelter of flood sufferers to the North of us or in Cincinnati, as there is more than ample buildings for their shelter and ample food on the ground. We understand this also applies to Dayton and Columbus. The first reports concerning the loss of life were greatly exaggerated, and I think also are the reports of an extreme present suffering, exception where persons are isolated from food and dry shelter.

"I think it is perfectly safe for you to announce to the country that matters are being well taken care of by those on the ground, and that everything which needs to be done will be done. Sanitary situation main consideration from now on. I have just seen Mayor Hunt and find that he has matters in hand here.

"LINDLEY M. GARRISON."
